## TTCU Sponsorship Focuses on Education

On Saturday, March 26, academic teams representing several Sumner County middle schools joined other middle schools from across the state of Tennessee, at Gallatin High School to compete in the 2011 Spring Forward Middle School Academic Challenge. The Tennessee Credit Union was proud to sponsor this event for the third year in a row and provide supplies, refreshments, and certificates for the participants. TTCU staff members in attendance were impressed by the volunteer spirit of the Gallatin High School teachers, students, and administration. Thanks to all of the schools and parents that participated and showed support for the students.
